

Ref. No. WCMSRH/M.S.O/2018/142

Date 22/09/2018

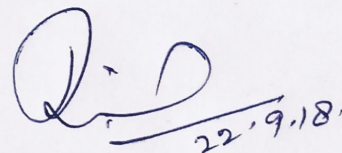

## NOTICE

It gives me immense pleasure to inform all the stakeholders that World College of Medical Sciences, Research and Maharaja Surajmal Hospital- a multi-specialty tertiary care unit providing full medical and surgical services in all specialties – has been recognized and empanelled in the Ayushman Bharat Programme to enable the general public for having an access to specialized medical care at no cost on their own.

Ayushman Bharat is an ambitious health care project and is considered to be the world's largest health care programme, covering the maximum number of beneficiaries. This programme is being implemented and monitored by the PMO under the visionary leadership of Hon'ble Prime Minister Shri Narendra Modi.

It is a matter of great pride and due recognition of our hospital and of the services being provided by us.

We all faculty and staff have to work day out and day in to fulfill the dreams of our govt. and shall leave no stone unturned to achieve the goal of catering the health care need of beneficiaries of our catchment area.

22.9.18

(Dr. R. K. Choudhary)  
Medical Superintendent
